Seasons Greetings! As 2021 comes to an end, we reflect on many reasons to be thankful and look forward to exciting changes in 2022. This year we have seen an unprecedented number of surrendered and stray animals, but we continue our work to find homes for all the animals that come to the Driftless Humane Society.

As the new Executive Director, I am grateful to have joined an excellent team of staff and volunteers working hard to make a difference in the lives of homeless dogs and cats. The work is hard and constant - yet very rewarding. There is nothing as heartwarming as seeing an abandoned, undernourished kitten brought back to full health and adopted by a caring family.

We look forward to 2022 for relaunching our volunteer program, refreshing the interior of the shelter, and staying in touch with you. We need to continue to share our story and the stories of the animals that we rescue. Most importantly, we strive for optimum animal care and quick placement of animals into their forever homes.

Our shelter is funded on private donations and without your generosity and that of so many caring people, the Driftless Humane Society could not exist. Our work needs you; our animals need you.
